

Handelsbanken

A bank that puts customer satisfaction first

Handelsbanken has a different perspective from many other banks. We are driven only by our customers, designing tailored solutions to suit their demands. We take a long-term view, investing time to get to know our customers, their needs and ambitions.

This focus on our customers has helped Handelsbanken to be ranked top in an independent satisfaction survey for UK personal and business banking customers for nine years running (EPSI Rating, October 2017), and Handelsbanken has been named as the most recommended provider for SME banking by the Competition and Markets Authority's Independent Service Quality Survey (August 2018).
